

NEW GP Extended Opening Hours

We would like all patients in our community to be able to see a local GP or Nurse when they need to. A network of GP Practices has been set up across the region offering extended opening hours for pre-bookable and same day routine extended access appointments. The GP extended opening hours service operates between 6.00pm-8.00pm on weekdays and 8.00am- 1.00pm on weekends and allows patients to be seen within a network of GP Practices at a convenient time and location, depending on availability.

Call now to book a routine appointment

Wellbeing Prescription

Did you know that Worthen Medical Practice and the surrounding areas offer a wide range of activities and support that is available to you. Pick up a Wellbeing Prescription leaflet from the surgery, print off from the surgery website or ask to speak to the care and community coordinator Hannah Wass for more information

The Callow Cafe

The coffee morning is held on the 1st and 3rd Friday of the month at the Methodist Chapel. It provides the opportunity for both patients and members of the local community to meet together in convivial surroundings while enjoying home baking at minimal cost

Compassionate Communities

We are looking for new volunteers to be apart of our Callow Compassionate Communities group.

We provide befriending for isolated or unsupported people which helps them to maintain links with their friends and activities in their community.

If you are interested in becoming part of Co-Co please pick up a leaflet in the waiting room or ask to speak to Hannah. We hope to see you soon.

Do you use daily living aids?

N

Do you need equipment to help with your recovery?

We want to hear your experiences of accessing and returning the equipment you need to help live independently
